#### **THE PLUS “ELITE SHOW “ :**

*Primes € to win For breeders, less coasts (no hotel, no car.. ), more Titles for horses,  
Web visibility for your breeding farms with the videos and results of your horses...  
At the end: more activity into the Miniature Horse economy!*

## HOW PROCEED for YOUR VIDEO HORSE ?

### **Lenght of vidéo : 2.30 mns**

- ✓ If video is longer than 2.30 mns, AFCM will cut at both end until video last 2.30 mns (repeat and repeat the film until satisfying for the horse you present )
- ✓ You must think your **phone or camera is the Judge's eye**
- ✓ Best hour to film is 4 pm (decreasing sun)

### **Surface :**

- Plain surface outside, approximate **55 feets x 55 feets (or 15 mx 15 m)**

### **Ground:**

- Ground must be flat, level

### **Position caméra : (see pattern page 3)**

- Ideally, with the sun in your back (more light on the horse)

### **Development of the camera and horse actions: (cf pattern)**

The Camera is in the middle of a ring: horse is entering on left

The horse makes 2 turns right handed at trot

Then the camera go lower on the ring ( see pattern) and the horse must stop on left profile: the HORSE MUST SHOW during this moment

The camera makes the entire turn of the horse stopping on head profile and front legs: the HORSE MUST SHOW during this moment

Then horse walks straight ahead toward the end of the ring, turns clockwise and comes back straight ahead to camera

Again another left profil SHOWING the horse

Then get out of the ring at trot

### **The exhibitor :**

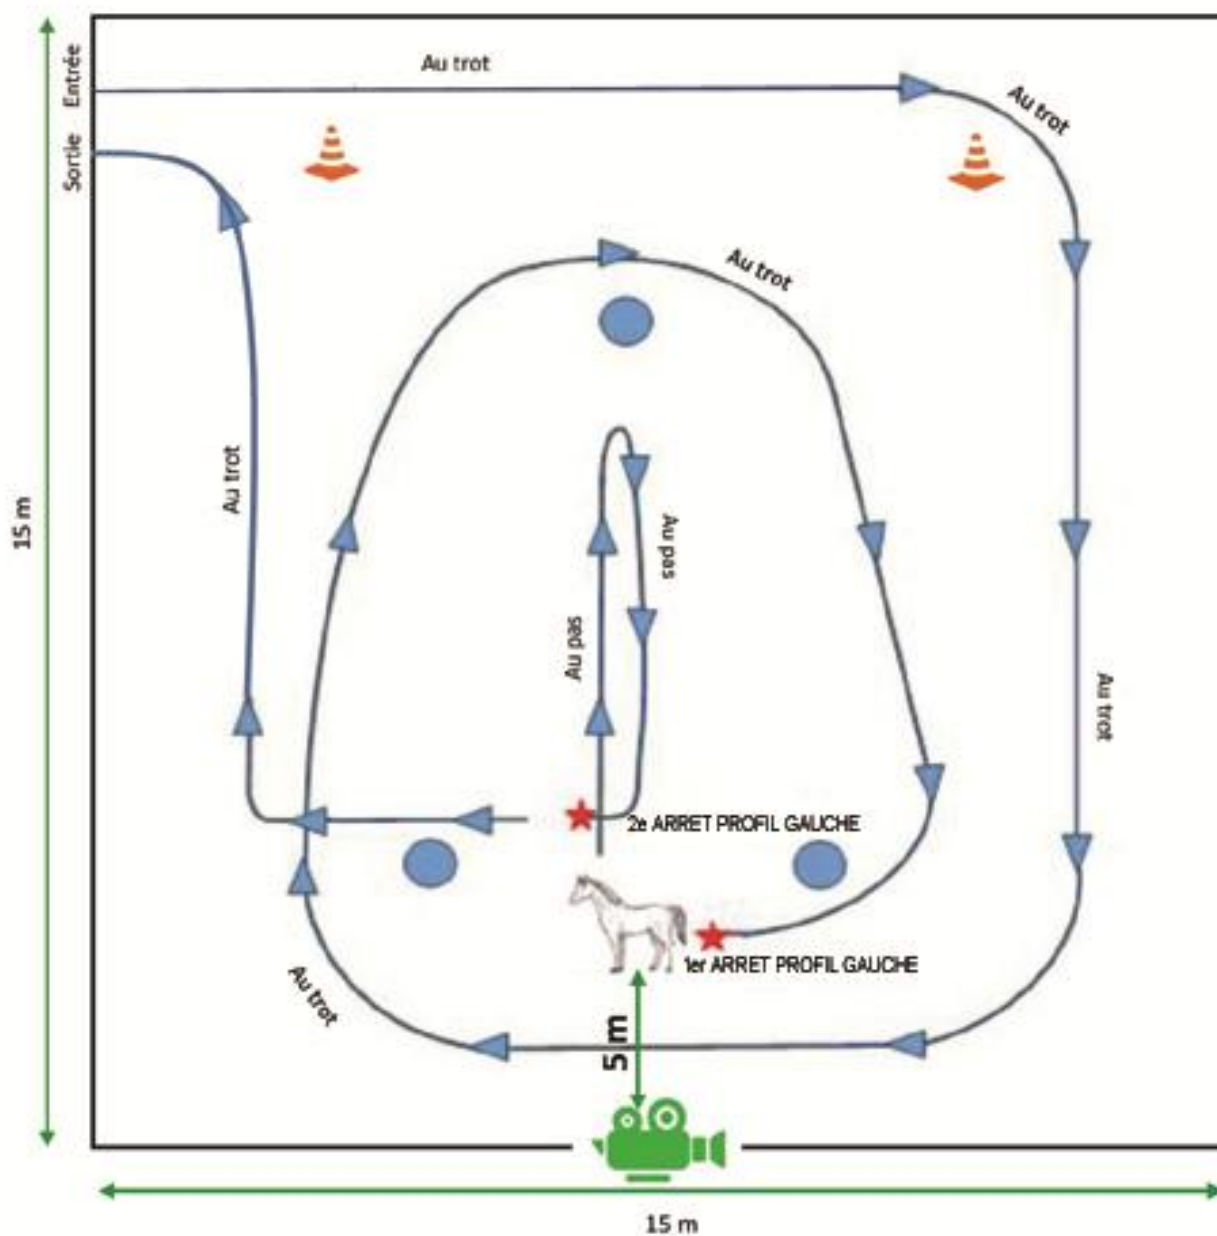

Must be dressed elegantly ....

Advised: one unique colour, black color or white ..or .....your choice\_!

**The film video :** must be in one piece 2.30 mns ( no cut and lifted)
