HOW PROCEED for YOUR VIDEO HORSE ?

Lenght of vidéo : 2.30 mns Max

- ✓ If video is longer than 2.30 mns, AFCM will cut at both end until video last 2.30 mns (repeat and repeat the film until satisfying for the horse you present)
- ✓ You must think your **phone or camera is the Judge's eye**
- ✓ Best hour to film is 4 pm (decreasing sun)

Surface :

- Plain surface outside, approximate **55 feet x 55 feet (or 15 mx 15 m)**

Ground:

- Ground must be flat, level

Position caméra : (see pattern page 3)

- Ideally, with the sun in your back (more light on the horse)

Development of the camera and horse actions: (cf pattern)

The Camera is in the middle of a ring: horse is entering on left

The **horse** makes **2 turns right handed at trot**

Then the camera go lower on the ring (see pattern) and the horse must stop on **left profile: the HORSE MUST SHOW during this moment**

The camera makes the entire turn of the horse stopping on head profile and front legs: the HORSE still SHOW during this moment

Then horse **walks straight ahead** toward the end of the ring, **turns clockwise** and **comes back straight ahead** to camera

Again another **left profil** SHOWING the horse

Then get out of the ring at trot

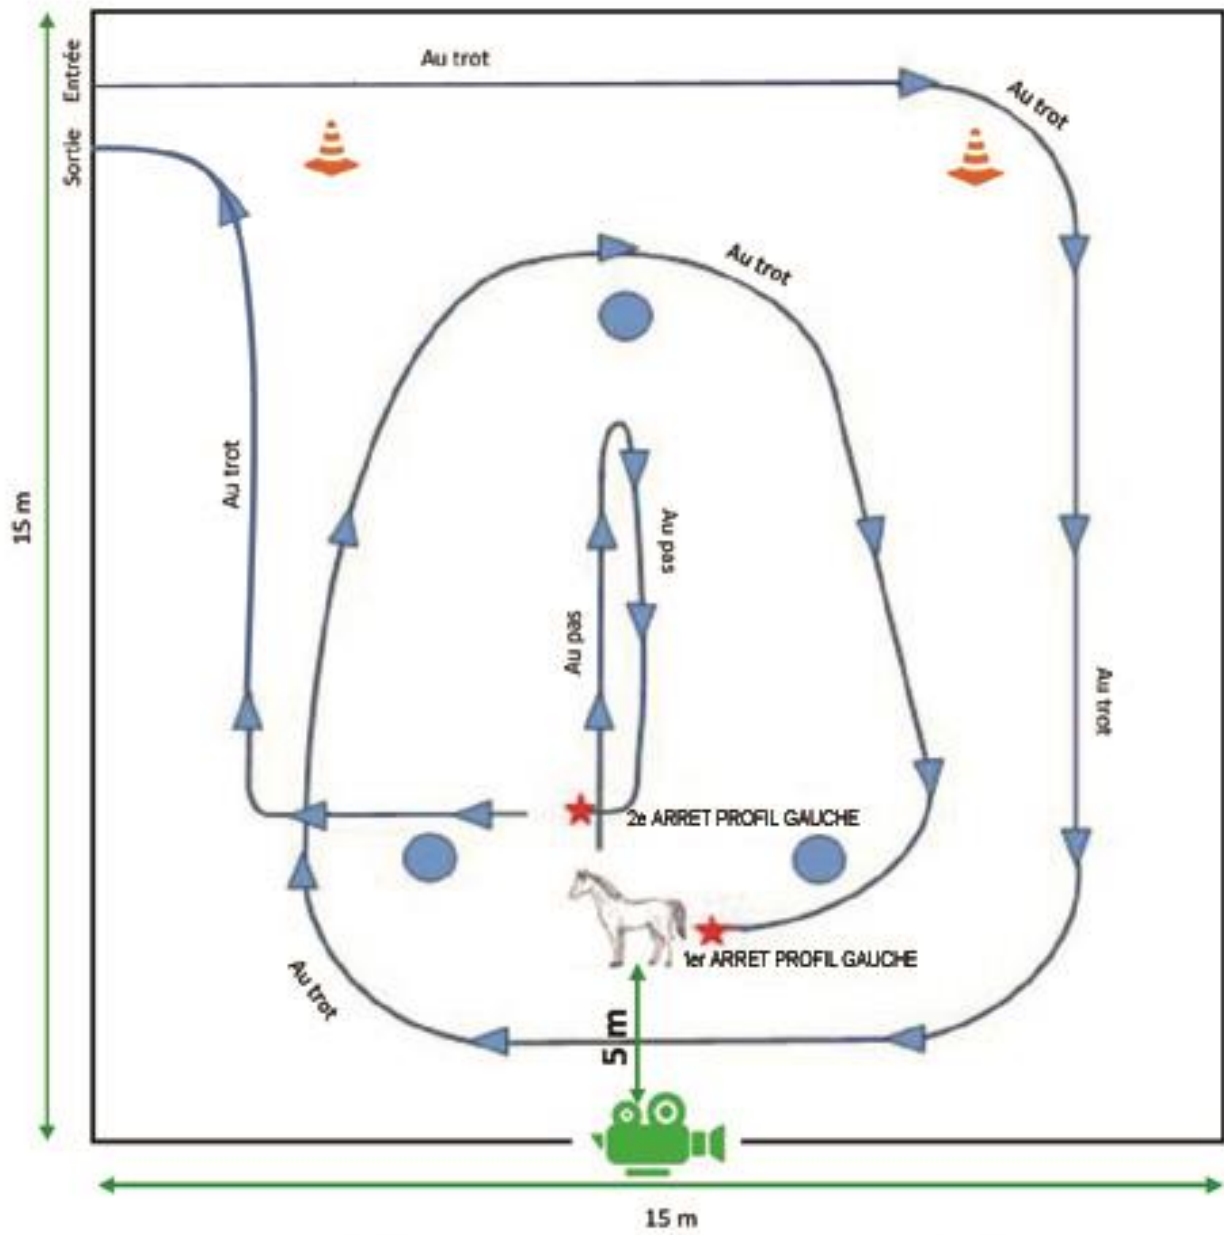

The exhibitor :

Must be dressed elegantly

Advised: one unique colour, black color or white ..oryour choice !

The film video : must be in one piece 2.30 mns (no cut and lifted)
